

Ephesians 4:17-24

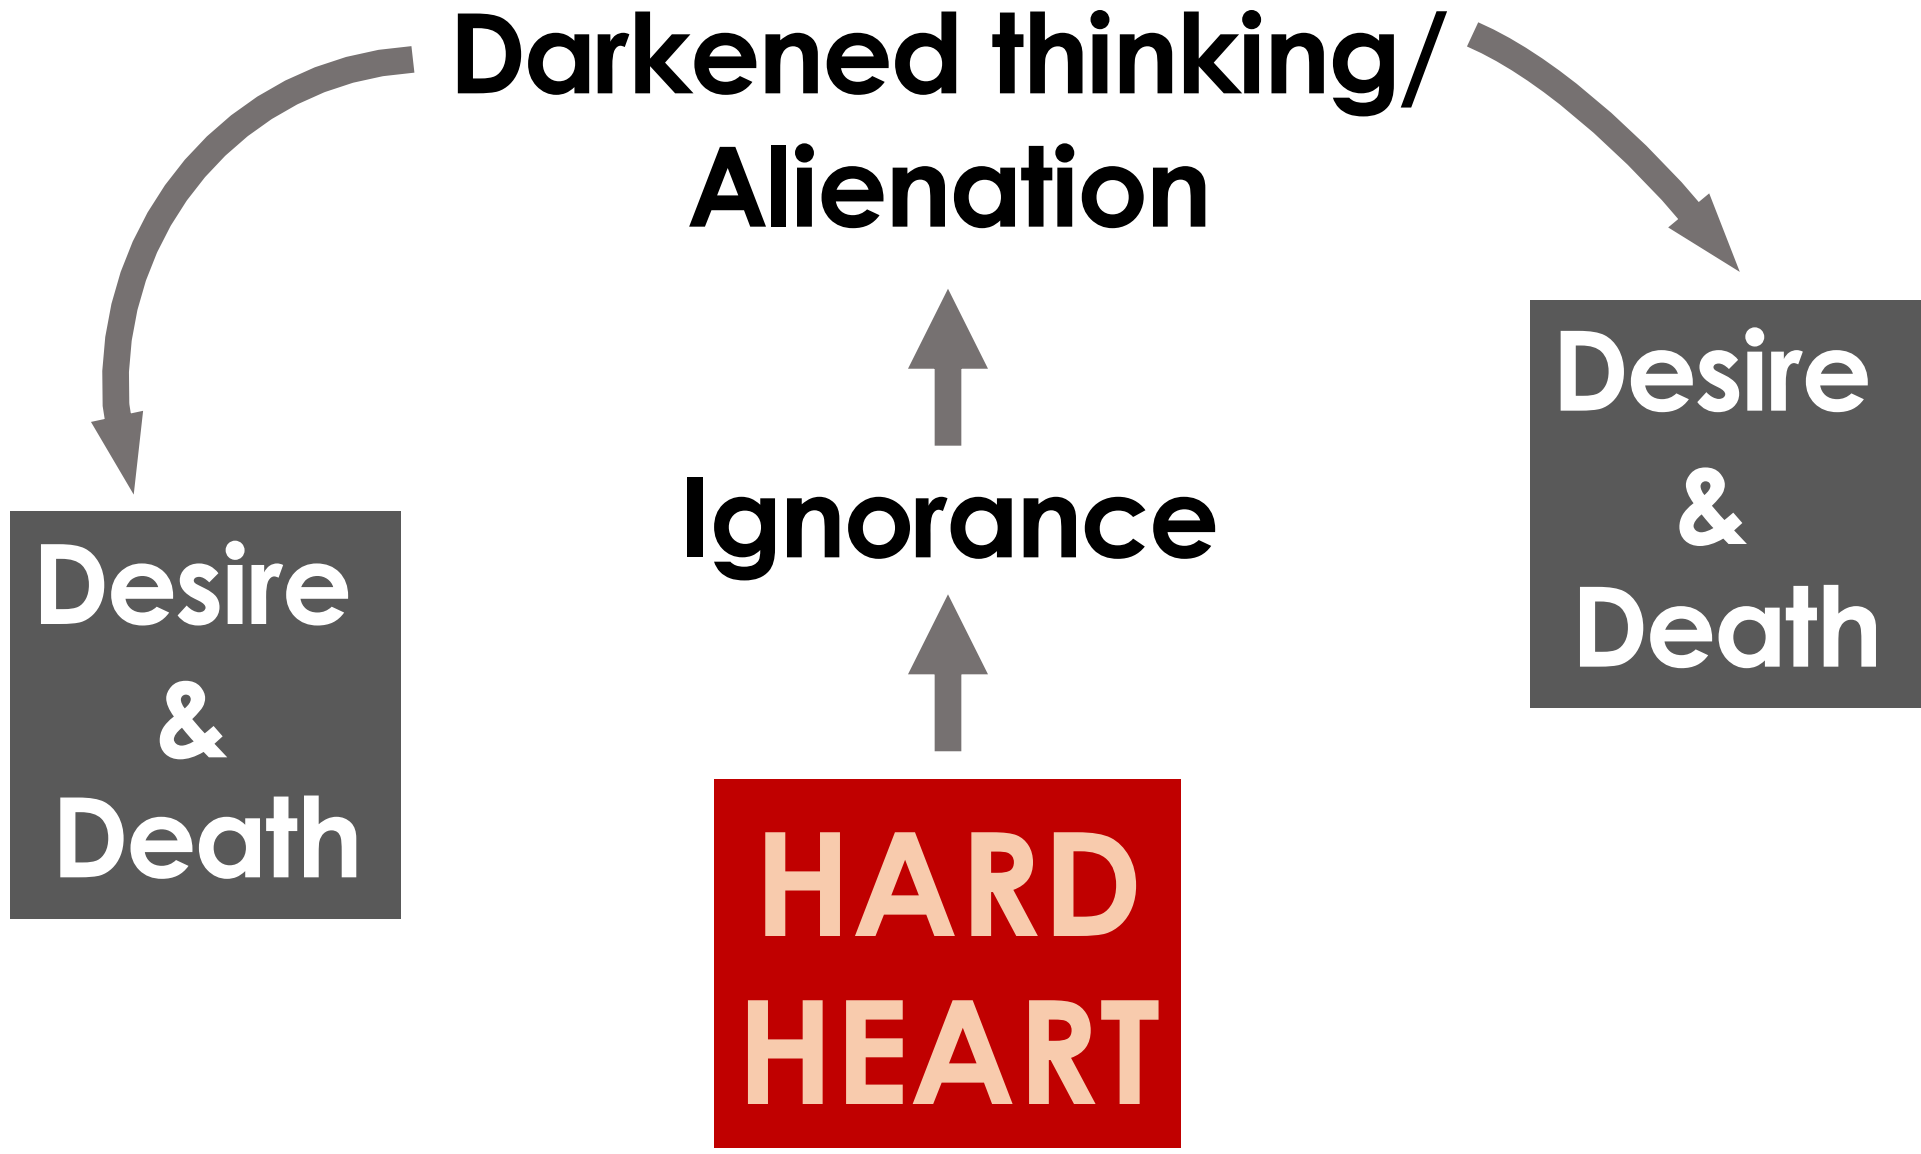

(17b18a) We shouldn't live as if we are those who don't know God. They are:

- darkened in their thinking, and
- alienated

(18b) *because* they are HARD HEARTED, making them ignorant of truth.

(19) **Unable to discern good from bad.**

- Destructive towards others, the world and themselves as they pursue whatever they desire without restraint.

4:17-19

**We shouldn't live with
hard hearts to God,
it will corrupt our thinking
and our lives.**

4:20-24

**Instead, we should live
with soft hearts, a
renewing minds, and in
Christ.**
